

Breakfast Cereals

About:

Ingex Foods is one of the fastest growing food brands across the globe. Ingex takes pride in its diverse, healthy, nourishing and sustainable range of ready to cook products. Gourmet food, made to suit the lifestyle and taste buds of the millennials. You eat it, you love it. At Ingex we make meals interesting, one day at a time!

Mission:

Our mission is to empower the gen-next with nutritious, ready to cook meals and be the choice of millions when it comes to convenient, curated, tasty, every-day comfort food.

Vision:

Ingex Foods aspires to be a part of the Global Cuisine Culture of Ready to Cook, Nutritious and Tasty everyday meals for the gen-next.

We want to grow organically as one of the emerging FMCG brands globally, constantly adding value to empower our stakeholders across the value-chain.

We see ourselves contributing to the sustainability of our planet whilst nurturing our core value of one-life.

Manufacturing Process:

Uncompromising commitment for enhancing the quality of life and contributing to a healthier future.

Ingex Foods is a coming of age, futuristic brand. From maintaining International Quality Standards to highly skilled and experienced technicians working on R&D. We strive to ensure the best for the gen-next.

Our philosophy is based on Customer Partnership in Growth (CPG) i.e. non-compromising actions towards Quality & Food Safety from Farm to Fork by sourcing premium quality ingredients and manufacturing in state-of-the art facilities with excellent production and packaging processes. Ensuring consistency in quality by our skilled and qualified human resources. We assure compliance to the Regulatory Environment of the geographic area in which we are present in the Ready to Cook (RTC) category.

Diversity & Inclusion:

Recognizing and respecting the varying cultures of the geographic presence of our brand. We shall remain loyal to our customers with work ethics embedded at the core of our system. And at the same time, being appreciative of the fact that differences of opinion are a form and part of continual improvement. We are a formulate team respecting talents, inclusive of growth and value humanism i.e. in sync with our philosophy of Unity In Diversity.

Core Values:

Brand Value and Loyalty.
Customer Satisfaction.
People and Engagements.

Value System:

Product Making and Deliveries
Striving for Excellence.
Business Integrity.
Transparency.
Compliance and Laws.
